**Please read and initial in the spaces provided below:**

**\*\* These are mandatory for any pet staying with us to ensure the safety and health of all pets boarding. \*\***

**Please initial all highlighted areas indicating you have read and understand them.**

Any pet picked up after 12:00pm will be charged for another day.                       
All pets must be current on the following in order to stay:                     

**Canine:**

- \*Rabies Vaccine
- \*Distemper/Parvo/Lepto vaccine
- \*Bordetella
- \*Negative Intestinal Parasite Screen

**Feline:**

- \*Rabies Vaccine
- \*FVRCP (+/- leukemia) vaccine
- \*Negative Intestinal Parasite Screen

If your pet is found to have internal (hook, round, whip, or tapeworms) or external (fleas/ticks) parasites, the appropriate medication will be given to your pet and charged to your account for payment at pick up. Charges are based on the pet's weight. We pride ourselves in keeping a parasite-free facility.                     

Bedding will be provided for your pet at no charge. Van Zandt Animal Care Center will not be responsible for any damages to personal bedding during boarding.                     

Purina EN dry food is provided to your pet at no charge. There is a charge for storing and feeding personal food of \$1.43 per feeding.                     

**\*\*Boarding Special Offers\*\***
